

ASH GREEN WEEKLY NEWS

12 February 2021

Just the most remarkable and rewarding week at Ash Green. It has been a wonderful community effort in so many ways. We break up today and return on the 22nd February. At present, we are still working towards a March 8th full re-opening but this will be clarified by government on February 22nd.

Keep it up everyone and remember to ring us if we can help when we return with any issue: 01422 244613- Option 1 (Lower Site) and Option 2 (Upper Site).

BREAKFAST PACKS

We break up for half term today – Friday 12 February. Over 30 families came to collect our breakfast packs today and these will also be sent home with the children in school today, for the holidays.

Breakfast packs will be ready to collect again when we return but supplies have been used up to now so collection day will be during the week.

Further details will be sent via the school app.

GIFTS FOR ALL!

What a wonderful Tuesday morning for our school community. School staff and Holly Lynch MP supported Rev Robb Sutherland in delivering Morrison's Gift Cards to every family home.

It was cold and snowy but a wonderfully uplifting experience and it was fantastic to see a lot of families – and children – safe and warm at home as we went round Mixenden.

The piece has featured on Global Radio News on Heart, Capital and Smooth and also in today's Halifax Courier.

Also the event was shown on Calendar News on ITV that same evening with footage of the voucher deliveries and also interviews with some of those involved. We have had some fantastic feedback from so many people since.

Thank you everyone for making this happen and supporting it.

IMPORTANT INFORMATION

Lots of great news! All families should hopefully now have received their £10 gift cards from Holy Nativity Church – delivered on Tuesday and sent to other homes on Wednesday.

For families in receipt of FSM, Calderdale WILL now also be directly in touch with £15 FSM vouchers per child for the holiday week.

When we return on Monday 22 February, the earliest that schools can order the Edenred FSM vouchers is on the Tuesday, so they should be with families the Wednesday 24 February.

This morning we said farewell to our fantastic caretaker Mr Munday. A wonderful colleague and friend to us all - thank you for everything. Good luck!

A truly humbling gift from our Governors this week. Books of messages from members of the Ash Green community of children, staff, parents, governors and residents who I have been proud to serve for the last 24 years- and hopefully many more!

Thank you all so much.

We break up today Friday 12th February for half term and return on Monday 22nd February. School will be closed in the week of 15th February to all pupils. School will re-open and Remote Learning will recommence on the 22nd.

Keeping Families Safe in Calderdale

COVID-19 related absence from school or childcare: a guide for parents and carers

The main symptoms of coronavirus (COVID-19) are:

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with COVID-19 have at least 1 of these symptoms.

If your child has any of the main symptoms of COVID-19

- Keep your child at home.
- Arrange a test online (search NHS COVID-19 testing) or by calling 119 as soon as possible.
- Anyone your child lives with, and anyone in your support bubble, must also stay at home. When you get your test result you will be advised what to do

If you or your child are worried about COVID-1, speak to your health visitor or school nurse
