

# ASH GREEN WEEKLY NEWS

10th  
June  
2022

What an amazing week it has been, culminating in today's Platinum Jubilee celebrations. Today, all children have had games, craft activities and a buffet with lots of outdoor activities- Royal themed- in the sun. Children from Reception to Year 6 have been gifted books about the Platinum Jubilee to bring home tonight. Earlier in the week, children prepared for the day with research about the Jubilee alongside a lot of their 'normal' work! As usual, we have also had sporting success this week with a group of children representing Ash Green in the 'Panathlon Challenge' at Electric Bowl and bringing home first prize! Well done children.

## CHILDCARE SETTINGS FROM FRIDAY 1 APRIL 2022

On Tuesday 29 March, the Secretary of State for Health and Social Care, Sajid Javid, set out the next steps for living with COVID-19 in England from Friday 1 April.

Free COVID-19 tests will continue to be available for specific groups, including eligible patients and NHS staff, once universal testing offer ends on Friday 1 April.

### Update guidance will advise:

- Adults with symptoms of a respiratory infection, and who have a high temperature or feel unwell, should try to stay at home and avoid contact with other people until they feel well enough to resume normal activities and they no longer have a high temperature
- Children and young people who are unwell and have a high temperature should stay at home and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- Adults with a positive COVID-19 test result should try to stay at home and avoid contact with other people for 5 days, which is when they are most infectious. For children and young people aged 18 and under, the advice will be 3 days.
